

High Needs Schools by Percentage of Aboriginal Students

Data Source: High Needs School designation: "Amount allocated to reflect the characteristics of a school's student community based on enrolment, mobility, and incidence of low family income. Calculated on the basis of a ranking factor and normalized enrolment. The ranking factor is based on mobility (transfers in and out in the previous year) and the incidence of low family income according to the latest Statistics Canada information." Edmonton Public Schools 2006-2007
