Feb 2009

**Map of Mill Woods**  
*Mill Woods received it's name from Mill Creek,  
which drained in the area.*

Mill Woods is a district in the South East Corner of Edmonton.  
It is located south of the Whitemud Freeway & north of 10<sup>th</sup> Avenue.  
It spans west of 34 Street and east of 91 Street.  
The population is over 110,000 people.

*This directory of community services, programs & agencies located in Mill Woods was updated by City of Edmonton Community Services, one of the partners in the Mill Woods Mapping and Beyond Committee, a network of human service providers committed to working collaboratively:*

1. *To better serve families, youth and children in Mill Woods.*
  2. *To strengthen partnerships between service providers in Mill Woods and area.*

### **Description of Services:**

An early intervention pre-kindergarten program for children of families with limited financial means. This program is dedicated to enhancing the social, physical, intellectual, creative, cultural and emotional well being of children while supporting their families' growth in parenting and life skills.

Children attend four half days per week, September to mid-June to participate in a *Learning Through Play* educational setting. The program is designed to prepare the child for a successful school experience.

Speech therapy services are available for children with significant speech and language problems. Aspects of services also include a *Home Education Unit* for children with Program Unit Funding (PUF) who receive additional speech language therapy and in-home education and a *Family Support Program* where a social worker provides group and individual support to the family, as well as encourages parent involvement in the program.

*Children must be 3 years 6 months by September 1.  
Family income must fall within low income guidelines.  
No fees, transportation is provided.*
