

# PROFILE of

## WEMAP

---

### Name of Community Mapping Group/ Local Area Network (L.A.N.)

#### Goals:

- We will create a community profile for West Edmonton.
- We will identify areas of need and strategies to meet the need.
- We will engage the community of service providers in this process.

#### Expected Outcomes:

- Trends are better understood.
- Enhanced partnerships among participants.
- Participants have a deeper knowledge of their community.
- Participants have a greater commitment to collaborative planning.
- Resources are identified and maximized.

### A Collaborative Community Mapping Planning Process

#### Joint Commitment:
